*Above and Beyond Cleaning, Inc. is a privately owned, fully licensed and insured, professional small business providing the highest level of cleaning services to the Tampa Bay Area since 1986. As graduates of the University of South Florida with degrees in Accounting and Information Management you can rest assured that we can and will provide your company with reliable service and accurate documentation.*

*We own the business and we do the work.*

*Patricia and Deborah Kloss appreciate what it is like to walk into a clean and beautiful home or office. That is how we approach our business. Above and Beyond Cleaning, Inc. will provide all necessary cleaning supplies and tools to do the job right. We use only top of the line supplies and equipment at all times and would never use anything in our business that we would not use in our own homes.*

*Each customer is important to us and we trust that you will enjoy and benefit from our services. Our goal is simple - to surpass your expectations for quality and service. Please contact us anytime if you have any comments, concerns, suggestions or referrals.*

*Thank you!  
Patricia and Deborah*
